Dr. M. R. Murray  
College of Physicians & Surgeons  
of Columbia University  
630 West 168th Street  
New York, New York 10032

Dear Dr. Murray:

Thank you very much for your letter. I think it is a very good idea to publish the descriptive and the experimental material separately. The summary seems to me very clear. On line 10, "original topographic position" might be better than "anatomical position."

With my best personal regards,

Sincerely,

Viktor Hamburger
