Dear Trink,

I wonder if you could nominate me for the Society of Developmental Biologist's year 2000 Edwin Grant Conklin Medal. John Saunders and others have nominated me but your additional support would surely be quite influential and appreciated.

Enclose find my vita for your consideration.

Should you wish to support me, your letter would need to reach the SDB office by November 30. It can be reached by e-mail (sdb@faseb.org), FAX (301-571-5704) or letter (9650 Rockville Pike, Bethesda, MD 20814).

Cheers,

A handwritten signature in blue ink that reads 'Lionel'.
