 Special Voltage
 (f) Refrigerator space
 (g)

p 13. Special apparatus required (See "Annual Announcement" for details)

..... Ultra-violet machine * with temperature controlled

MARINE BIOLOGICAL LABORATORY

Application for Research Accommodations

14. Living material required *Sea-urchins, crepidula, Starfish*

15. Remarks

The room on the third floor (310 or 315) occupied by me in 1933 seems best suited to my work and space for G. the corner - with exclusive use of one water table - for large amount of specimens necessary for supply work

To be filled out by the Business Office

1. Room or table assigned *315*

2. Later changes in the assignment

3. Arrived *June 18*

4. Departed *Sept 12*

5. Remarks

[Faint, mostly illegible handwritten notes and bleed-through from the reverse side of the page.]
